## **Integrated Vocational Rehabilitation Service Centre**

## 綜合職業復康服務中心

協會的首間庇護工場一展毅中心 (The Endeavor) 自二零零二年投入服務,已營運超過五年且快將踏入第六年了。中心旨在透過一個模擬現實的工作環境,為殘疾人士提供職業復康服務。為了提高服務質素,工場於二零零四年四月起轉型為綜合職業復康服務中心,為殘疾人士提供全面的職業復康服務。中心的運作形式雖然有所改變,但其最

The Endeavor, the first sheltered workshop of the Association was established in 2002. The Centre is now approaching the sixth year of its operation. Through the provision of a simulated work environment, the Centre aims to provide vocational rehabilitation services to persons with disabilities. Though the Centre is transformed into an integrated vocational rehabilitation service centre since April 2004, the Centre continues to pursuit its goal to assist persons with disabilities to secure open employment. To enhance its competitiveness, the Centre concentrates on the development of service industry which includes the following:

#### 1. Outreaching packaging team

The Outreaching Packaging Team commenced operation since October 2004. In collaboration with several logistic companies, work-training opportunities were provided to our disabled service users. Other outreaching jobs include laundry, logistic packaging, courier service and outreaching packaging etc.

終目標仍是協助殘疾人士公開就業。為了 增強競爭力,中心致力向服務業發展,並 發展以下兩類服務:

#### 1. 外展工作隊

由二零零四年十月起,中心成立了外展工作隊,並與數間物流公司合作,為服務使用者提供更多工作訓練機會,使他們融入社會。而現時主力發展的業務包括洗衣、物流包裝工作、速遞服務及外展包裝等。

#### 2 宏遠洗衣服務公司

香港政府近年大力推動社會福利機構成立社會企業,為殘疾人士提供就業機會,有見及此,協會逐於二零零五年經社會福利署的「創業展才能計劃」資助,開辦了首個社會企業 - 「宏遠洗衣服務公司」,這計劃是以自負盈虧的商業模式營運,並引進復康理念,為殘疾人士提供就業及工作訓練機會。目前,公司共聘用了三位殘疾僱員,負責接聽電話、接單、操作洗衣機械、收送衣物及服務櫃台等的多元化工作。

公司針對市場需要,為客戶提供一站 式的優質乾濕洗衣服務。主要的服務對象 是屋苑住戶、物業管理公司、食肆、美容 院及護理院。為了提供更貼身的洗衣服務

#### 2. The Clean Laundry

In recent years, the Government encourages social welfare organizations to establish social enterprises for the provision of employment opportunities for disabilities. With with persons the "Enhancing sponsorship from Employment of People with Disabilities through Small Enterprises" project, the Association's first social enterprise. The Clean Laundry was formed. The project is self financed with rehabilitation concept being incorporated into its mode of operation. At the moment, the company employs three disabled staff who are responsible for reception, customer service and operation of the machinery etc.

In response to market demand, one stop laundry service of high quality is provided. The majority of the customers includes residents of housing estates, property management companies, restaurants, beauty parlours and care homes etc. To provide personalised service, counter service is rendered to residents of Bellagio, Summit Terrace and Sea Crest Villa.

During its initial stage of operation, the Company encountered great financial pressure due to rising costs and keen market competition. To improve the situation, the Company firstly, has to actively explore and open up new markets 予屋苑住戶,公司分別於碧堤半島、翠豐 臺及浪翠園等私人屋苑設立服務櫃台,以 方便住戶使用服務。

公司成立初期,面對經營成本上漲、

市場激烈競爭等因素,財政方面受著沉重壓力。為了改善情況,遂於以下兩方面作出努力,首先公司積極開拓市場,尋找更多商機,同時亦盡力減低經營成本。公司首先於二零零七年八月將廠址由元朗遷工業城,藉此縮短運輸路程及減低運輸成本,又透過內部流程重整人手、型學零八年八月止,業務連續九個月錄得盈餘,成績有目共睹。公司會繼續致力鞏固客戶基礎及開拓有潛力的市場,確保公司業務得以持續發展,為殘疾人士提供更多就業機會,使他們融入社會。

隨著經濟下滑、失業率上升及人口老 化,香港貧富懸殊情況日趨嚴重,弱勢社 群會面對更大的經濟問題,有見及此,本 會正計劃開展一項名為「關懷社區」直銷 服務,主要為弱勢社群如獨居長者、單親 及低收入家庭人士提供便宜的食品及日常 用品,以舒緩他們於經濟下滑時的生活壓 力及質素,透過「關懷社區」直銷服務, 殘疾人士能為社會其他的弱勢社群提供真 誠及直接的發務,以發揚「互助互勉」的 精神。如閣下有興趣支持是項計畫,如捐 獻或提供貨品,或對本會其他業務有任何 查詢或轉介,歡迎致電31571515與本中心 職員聯絡。 and secondly, to minimize its operation costs. In August 2008, the Company moved its premises from Yuen Long to Tuen Mun so as to minimize the transportation costs. Through re-organisation of the workflow and manpower, the operation has become more cost effective and competitive. Since August 2008, the business has recorded profit for a continuous period of nine months. In the coming time, continuous effort will be put to build up a stable customer base and to further explore potential markets such that the Company will survive and develop in the long run.

With the increasing unemployment, inflation and growing size of the elderly population, disparity between the rich and the poor has further worsened. The disadvantaged group will encounter even greater economical pressure. In response to these problems, the Centre is now planning to start a direct sale service which aims to provide low cost food items and daily necessities to deprived groups such as the living alone elderly, single parents and low income families. The service can help to relieve their financial burden and promote the spirit of mutual help and support. For those who are interested to support this project either in kind or in cash and for any queries, please feel free to contact us at 3157 1515.
